

Woolnorth Wind Farms

North East Rivers Festival Woolnorth Wind Farms Pioneer Fishing Competition

Saturday 17th October 2015

We had 97 registered competitors and approximately 30 onlookers attend the Woolnorth Wind Farms Pioneer Fishing Competition.

Despite the lake being well stocked the day was rather windy and only a total of 7 fish and one eel were weighed in – with all but one being caught off the bank. Mostly Trout but one good sized Atlantic Salmon.

Results

Heaviest Fish caught by an adult 17+

Danny Butt, from Scottsdale, with a 2.64kg Trout
